STAT FROM : 
SUBJECT : DCI-Designate Casey Briefings

1. Be prepared, on short notice, to brief DCI-Designate Casey on January 21 or 22 and even possibly over the next few days on the following:

- his legal responsibilities in your area;
- current sensitive or important matters that he should be immediately made aware of;
- decisions he must make in your area within the next five to ten days; and
- key areas that you may need guidance on quickly.

2. This should not be on in-depth briefing on your area of responsibility. That will be scheduled later. Keep these first sessions short, succinct, and to the key points--probably one-half hour to 45 minutes.
